

MESSAGE FROM THE MAYOR

Aloha. The annual report outlines the activities of our City departments and agencies during Fiscal Year 2008 — 2009.

A complete copy of the report is also available on the City and County of Honolulu's website: www.honolulu.gov.

A testament to the outstanding work of our City ohana, it reflects not only our visible accomplishments, but also the day-to-day efforts that continue to make our island home such a special place.

I am grateful to the many dedicated City employees who work tirelessly to provide for the daily needs of our community. It is their exceptional commitment and extraordinary efforts in serving the public that enhance Honolulu as a livable, exciting city.

Mahalo to the people of Honolulu for allowing me the honor to serve as your mayor. I have been humbled, challenged and inspired by this priceless experience, which has deepened my love for what I truly believe to be the best city in the world.

Mufi Hannemann
